The Toddler 2 class made bird feeders for the playground!

MUSIC & MUNCHIES is coming soon!

Special thanks to those of you who have already dropped off auction items! Please remember, the last day to dropp of items in April 17th.

Every Spring we hold our outdoor school wide event, Music and Munchie's! This event has something for everyone. For the children we have inflatables and for the adults we have a silent auction.

Most of the items for the auction come from our MoM parents. We ask each family to ask a local business you support for a donation to our auction. These items include gift cards to local restaurants, gift certificates for services, items from a retail store and more!

Families also may choose to donate a hand-made item, art, etc. In addition to items our families provide, each classroom will make an item for the auction. Between the wonderful items generously donated from our Middle Georgia businesses, handmade items, and one-of-a-kind pieces created from your child's classroom; you don't want to miss this event! The proceeds from this event help support our teacher training and professional development!

MoM is also a 501(c)3, so all donations from individuals or businesses are tax deductible. We can provide a donation letter/donation receipt for those who need them. *Auction items must be dropped off at the school office by April 17th.*

We ♥

The MoM chickens are enjoying the warm weather and laying lots of eggs! If you have extra cartons at home, we would love to use them!

There is a designated box for donated egg cartons at the Middle School building.
