## Prepare Yourself for Delicious Treats!

Throughout the school year, our 7th and 8th-year students prepare home-baked goods, eggs, and more to sell at the Middle School Market. The proceeds of those sales help fund special projects for the class, like overnight field trips, classroom projects, and food for the animals in their care.

This Friday, they will hold their first market of the school year, with two ways to purchase their wonderful homemade treats:

#1: Stop by the Middle School Market booth, at the Middle School building, during the afternoon carpool and grab a delicious snack for you and your family.

#2: The students will distribute pre-order sheets to the Primary through Middle School classrooms on Tuesday, August 1st. Send in your pre-order form with your student by Thursday, August 3rd, along with either cash or a check (made out to Montessori Of Macon). Pre-orders will be delivered to your child's classroom on Friday, August 4th.
