

MONDAY MESSENGER

HEALTH GUIDELINE REMINDER

As we head into the fall season we typically see an increase of illness due to COVID, Flu, strep throat, etc. It is important that we continue to work together to help keep our community healthy. You can help prevent the spread of illness by following a few simple steps:

- Children must be kept at home if they have the equivalent of a 100.4 degrees or higher fever, and/or symptoms of illness (i.e. unexplained rash, persistent cough, discharge of discolored or profuse amounts of mucous from the nose, diarrhea, vomiting, sore throat, etc.).
- Children must be **FEVER FREE AND SYMPTOM FREE for 24 hours BEFORE returning to school** (without the use of any fever reducer medicine). If the child cannot go outdoors under normal conditions then he/she should also remain home.

Following these guidelines minimizes exposure of illnesses to other children and staff. There are no exceptions to this policy.

Our buildings continue to be professionally cleaned, in addition to the routine cleaning our teachers perform throughout each school day. If your child begins to show symptoms of illness, please keep your child at home.

Annual General Meeting (AGM)

Please join us on **Wednesday, September 6 at 6:00 p.m.** for a 30 minute virtual AGM on Zoom. Our Head of School, Michele Hartley, will share some highlights of happenings around our campus, and we will hold our annual election for our Board of Directors. Each family has one vote, and you must be present on the Zoom call to vote, so your attendance is needed and appreciated!

This Thursday, MoM parents will receive an invitation directly from Zoom to register for the AGM. The email subject will be **"Zoom Webinar Invitation - AGM 2023."** To attend the virtual meeting, **you must register BEFORE NOON on Wednesday, September 6.** Once your registration is confirmed, you will receive a unique link to join the webinar. We look forward to seeing you at our virtual AGM.
